

Sun Cream Letter

Dear Parents and Carers,

With the weather getting warmer, could I ask that you please ensure that your child has sun cream on during every day. This should be applied before your child arrives at school – the staff within our school are not able to apply sun cream to your child unless your child has a medical condition.

If your child does have a medical condition for the application of sun cream, please bring in a letter from your doctor informing us of your child's medical need/s. Please also ensure that you dress your child appropriately for both the weather and the activities that they are involved in at school:

- shoulders should be covered;
- no open-toe sandals or 'jelly shoes';
- no summer dresses or football kits.

Many thanks for your continued support.

Yours sincerely,

Dr Lesley Curtis OBE
Headteacher/Head of Centre
