

### Step 1:

Open YouTube on your web browser and click on the 3 dots in the top, right corner.

Look down to the bottom of the pop up box and find 'restricted mode'.

Click on 'Restricted Mode'.

### Step 2:

As the new box opens you will see the 'Activate Restricted Mode' button. Click on the blue switch to turn it on.

When the circle turns **blue** you know you have turned 'Restricted Mode' on.

Please be aware you may have to check this mode is turned on every time you open the YouTube website.

To keep 'Restricted Mode' locked and always on, you will have to create a YouTube account.

**On the Android / iPhone app**

1. Sign in to your account.
2. On the top right, tap 'menu' or tap on your icon.
3. Select Settings then select 'General'.
4. **Turn Restricted mode** on or off.
