### **Monitoring and review**

It is the responsibility of the Headteacher/Head of Centre to ensure that there is equality of opportunity for children, families, staff and visitors. It is the role of the Headteacher/Head of Centre to ensure that the school/centre's policy is understood by all staff and applied consistently at all times. All staff lead in promoting the principle of equality and liaise with the Governing Body in ensuring that there is no discrimination in the provision of services for children, families, practitioners nor in school/centre procedures which includes recruitment.

The Inclusion Co-ordinator monitors attendance and attainment of all children in the school/centre considers whether any individual or group of children or adults are causing concern. This is undertaken through ongoing assessments of all children, daily monitoring of registers, leadership team meetings and an annual review of our equal opportunities policy and practice. Where there are serious incidents these are recorded and reported to the local authority where appropriate e.g. following the LA Recording and Monitoring Racist Incidents Procedure (reported to School Improvement Liverpool and EMTAS). Any complaint about equality of opportunity within the school/centre is given serious consideration by the Headteacher/Head of Centre.
