

## School Credit Card Policy

Agreed October 2019. To be reviewed October 2020.

### Everton Nursery School and Family Centre

Date: 10<sup>th</sup> October 2019

The use of the Credit Card by ["the School"] is governed by **s.2.18** of 'LCCs Scheme for Financing Schools'. Under no circumstances can a school have a debit card.

The governing body has approved the use of the Credit Card and these procedures will be included in the 'Schools Finance Procedure Manual' approved by the Personnel, Finance and Resources (PFR) committee on 20<sup>th</sup> September 2019.

From time to time the school may be offered an opportunity to purchase goods or arrange for services for the school from companies that shall not invoice but shall only accept a direct payment. In order to make use of these best value offers, the school holds a credit card. The head teacher will ensure that there is budgetary provision for all purchases and that there is sufficient balances available in the bank to cover the expenditure

The primary method of payment remains invoicing and this shall generally be used in preference to card purchases where such is offered by the supplier.

- The head teacher/chair of governors may authorise anyone or more of the following to be a cardholder - head teacher, deputy head teacher, senior teacher
- Each card must have LCC as part of the name on the credit card
- Each card shall be stored in the school safe when not in use.
- The PIN number for each card shall be known only by the cardholder and not disclosed to anyone else or written down.
- Should the card be lost or stolen the loss shall be reported by the cardholder to the issuing bank, the police (only if the card has been stolen), the school bursar and the head teacher immediately.
- Should fraud or misuse be suspected, the bank and LCC (Schools Finance Team (SIL) and Internal Audit) should be informed immediately so that the appropriate action can be taken. See **s.2.27** of *The Scheme*.
- There shall be 1 credit card account per school and no more than two cardholders in each Primary School and four cardholders in each Secondary School.
- Each credit card account (not each individual card), shall have a maximum spending limit of **£5,000** for Primary Schools and **£10,000** for Secondary Schools, controlled by the bank but set by the governing body. Limits for special schools will be the appropriate limit given the age range of the pupils
- The credit card balance shall be settled in full automatically each month thereby avoiding credit card interest charges.
- The card statement will be cross referenced with the original purchase receipts by the School Finance Officer. The credit card statement should be entered into the schools financial management system as soon as possible as a 'Cash Book Journal'. The journal must itemise each purchase made on the card (Net and VAT) against the appropriate ledger code ensuring that the

total of the journal reflects the total on the credit card statement. The School Finance Officer and head teacher will then sign the statement as confirmation of reconciliation. The Cash Book Journal and original purchase receipts, together with the credit card statement, should be kept on file, to ensure the completeness of the accounting records & ready to be checked during visits by the Schools Financial Advisor (SIL).

- All receipts shall be authorised by the head teacher
- The cards shall not be used for personal expenditure under any circumstances or for purchases on behalf of a third party.
- Cash withdrawals are not permitted.
- All authorised cardholders shall sign the 'cardholder consent form' to accept that they have personal responsibility for transactions on "their" card which are not conducted with the approval of the school in accordance with this policy. The cost of any unauthorised transactions and were reimbursement is not received then the cardholder will be subject to gross misconduct.

Separation of duties is fulfilled by the following:

- If staff require goods via the internet they must liaise with the office manager/bursar to place the order on line providing they have sufficient budgetary provision and get the head teacher or the deputy to authorise the purchase.
- Cardholder makes purchase.
- The head teacher authorises receipt of transaction submitted by cardholder
- The office manager/bursar officer records expenditure on the schools accounting system.
- Office manager/bursar to reconcile direct debit on bank account statement against credit card statement;

### **Purchases under £200**

- May be off-site but must be kept to a minimum and approved prior to purchase
- A VAT (if applicable) receipt must be obtained
- Cardholder must present the receipt for goods/service to the bursar

### **Purchases over £200**

- Must be ordered on the school premises by the authorised cardholder only
- All orders must be delivered to the school address
- A VAT receipt must be obtained

**School Credit Card Policy**  
Agreed October 2019. To be reviewed October 2020.

- Must have record of receipt of goods/service at school, i.e. delivery note
- When using the credit card the money will be taken from the bank account once the purchase is complete although the goods may not have been received

**Note:** We understand that non-adherence to this policy/regulations may result in the withdrawal of the credit card facility from the school and in certain circumstances the issuing of a notice of concern or withdrawal of delegation.
